All the facilities are available in our college and I like this institute very much because some of its teachers are very good, just like friends, everything else is fine.

Update library culture

Improvement in library facilities.

Make the library and must add the seating facility and internet

Our library needs to improvement. there are limited writers book , in one time we can't issue more than one book , the book is issued in a single day in week , that's make some difficulties in our study . . . the reading zone in library is excellent..

To pay proper attention to all students

Please arrange books for English medium students in library specially for MA- Economics

A lot of improvement is needed in the library and in the canteen.

Bahut hi accha

Understanding

पुस्तकालय में पुस्तक और फोटोकॉपी सुविधा उपलब्ध होनी चाहिए और कैंटिन की भी सुविधा होनी चाहिए भूगोल विषय में प्रैक्टिकल वस्तुओं की सुविधा उपलब्ध करायी जानी चाहिए

Library and internet facilities should be better.

स्टूडेंट्स के लिए बाबूओं का व्यवहार अच्छा हो सकता है

Student ko sune aur unka bhi kuch chijo me slah le ki unko collage me kya chij ki jarurat ho sakta h

Library and internet sevicees are worst

Library should be bigger so that students can go their at present they don't permit students to go there.

And internet services are negligible.

Quality Education

College me library se aur books Milne chahiye. Study material bhi uplabdh ho. Study quality thik hai.

Thanks 😊😊

All the best

Institution is good for study

Not sure

Kuch kuch aur improve chahiye

The college should have a great professors because teaching is really very average and must have facilities like a proper ground, library , cafeteria etc college should be overall development in every aspect mainly in studies

10 question's answer is not available.

This college best college of chhattisgarh. It facilities is very well.

In our Library only 1 book is provided at 1 time but according to me if I want 2-3 books from our Library so I did not get and in other colleges they provides all books so I want to suggest that if someone want 2-3 books so you want to provide

We get all the facilities which we required but through the senior's. Because some times teacher's not involve the activities or our some need's but our senior's always with us in any

situation. And one more thing our teacher's not create the group's. Group's created by senior's and we get all the information's through our senior's.

Teaching is satisfactory , correct it.

Too much need of cultural activity and internal competition and annual sports activity

Please first teach the professor to behave properly with students specially the government senior teachers very rude and misbehaving

Give some more opportunities for improving our skills and knowledge

Please follow college rule strictly 🙏🙏🙏

And encourage those students who are regular but not came in college 🙏🙏🙏

Need to increase extra carricular activities .

Books, Photocopier and internet facilities are not available 😞

Teacher ko students ko motivate karna chahiye padate time

Thik

Extra curricular activities should be conducted more . More sports utensils should be provided. Annual day and other festivals should be celebrated actively.

Practical knowledge should be given more with theory knowledge. Extra curricular activities should also be conducted . Canteen should have good infrastructure and design with all things available for lunch. Garden should be more decorated.

Much money more consept cleared

Canteen arrangement and garden cleaning

कोरोना नहीं होता तो अध्ययन और अच्छी होती हमारी

Add some professor in college , minimum two professor for main subject.
